NEW BEGINNINGS

IT ALL BEGINS . . .

Lines, lines, lines . . . the most familiar site at the beginning of the quarter.

Lines to get a class, turn in cards, have our photogenic ID cards made and lines to get in line.

"Put your student number here . . . I'm sorry, that class is closed . . . You are in the wrong line . . ."

Books to buy, more money to spend . . .
We've only just begun.

EATING IN

VSC cafeteria caters to a large majority of the students on campus. Though the food may not be in competition with Dear Old Mom's cooking, well-balanced meals are served three times a day. This year, the food service provided a Prime Rib Night, a Birthday Party Night, and even a Hawaiian Luau with authentic music. Occasionally, the food service serves a Chef's Surprise in which eating becomes a game: "What is it?"

EATING OUT

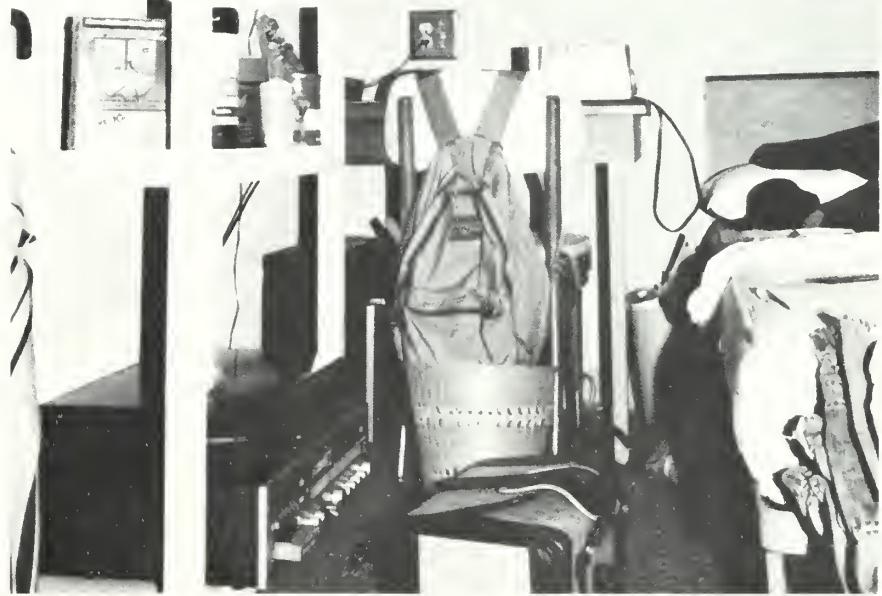

As the students get tired of the VSC cafeteria food, Valdosta provides many options to choose from. Wendy's is fast and delicious, Jimbo's is a popular late-night spot, and Hoagie's is the all-time favorite place for students to meet and dine together.

HOMECOMING '81

The Valdosta State College Homecoming theme emphasized the 75th anniversary of our chartering in 1906, "Diamond Jubilee". This year to celebrate this joyous occasion VSC returned to a baseball game rather than basketball; VSC Blazers vs University of Georgia Bulldogs (6-7). Along with the game, Miss Margaret Lewis, sponsored by BSU, was crowned Homecoming Queen. She received the honor of throwing the opening ball to begin the baseball action.

Blazer alumni got into the spirit with a fun-filled baseball game against the varsity Blazers. Alumni also enjoyed a Homecoming banquet given Saturday night. While Homecoming honored the VSC alumni, students, faculty and friends enjoyed it as well.

Highlights of our Diamond Jubilee included the annual coffee hosted by Dr. & Mrs. Baily along with the College Union Board's annual carnival. Various Greek organizations placed displays throughout the campus. The Kappa Alpha order took first place in the competition with Kappa Delta sorority second and Zeta Tau Alpha third. To top the Homecoming weekend off, Zeal played all time songs of the day at our annual Homecoming dance.

TKE CALENDAR GIRL

On November 10, 1980 the Tau Kappa Epsilon fraternity held their annual TKE Calendar Girl contest. This year twenty-one girls representing the various sororities and fraternities on campus participated. Jamie Tootle was crowned 1981 TKE calendar girl. The other finalists are as follows Joann Parmalee, first runner up, Joan Chapman, second runner up; Lisa Holland, third runner up; Marlesa Ball, fourth runner up; Jamie Beagle, Teresa Ann Davis, Lana Flake, Harriet Madison, Robin Mae Suale, Mary Tittshaw, and Rhonda Tucker. The portraits of the twelve finalists are featured in the showcase located in the Student Union.

MISS VSC

The Pi Kappa Phi fraternity hosted their 29th annual Miss VSC pageant on February 26. Twelve lovely ladies competed for the "Miss VSC" crown. Miss Laura George won the title. The runner-ups are as follows: First runner-up, Rhonda Tucker; Second runner-up, Joan Chapman; Jamie Tootle and Iris Cooper were included in the top five. Lynn Parramore was named most talented.

Miss George represented us in the Miss Georgia Pageant in late June.

WHO'S WHO

The 1981 edition of Who's Who Among Students in American Universities and Colleges is to carry the names of 29 students from Valdosta State College who have been selected as being the country's most outstanding college students. "Selection is based on academic achievement, services to the community, leadership in extracurricular activities and future potential," said Dr. Andrew J. Bond, dean of students at VSC.

Students named this year from Valdosta State are: Oscar Aguero, Karl Chiang, Ricky Christie, Roberta Lee Dukes, Charles Wesley Miller, Maxine Martin, and Christine Lee Rivers.

MARGA AND MAC AWARDS

The Marga and Mac Awards are given by Sigma Alpha Chi Honor Society to the outstanding man and woman in the senior college. Recipients must have demonstrated academic superiority as well as outstanding leadership in campus activities. The selection is made by a committee of students and faculty members from an impressive list of nominees. The 1981 winners are: Marga Award—Leslie Ann Garland; Mac Award—John W. Sapp.

ANNIE POWE HOPPER AWARD

The award that incites the most curiosity and anxiety during the honors day program each year is the naming of the recipient of the Annie Powe Hopper Award, given by the Alumni Association and by the family and friends of Annie Powe Hopper, VSC's first Dean of Women.

During the past 20 years, this has been the most distinguished award given at the Honors Day program. Every year, each faculty member is asked to submit the name of an outstanding senior to the Academic Honors Committee. The Honors Committee, the Dean of Students, and the Dean of Faculties then select the person whom they believe best qualified of all those who were named. The recipient must be one graduating in December, 1980 through August, 1981. He or she must stand high academically and best exemplify the traditions of the college and those traits of character and dignity associated with the memory of Annie Powe Hopper. The recipient of this year's award was John Sapp. John has been named to Who's Who in American Colleges and Universities, nominated for Outstanding Young Men in America, and named to the List of International Youth in Achievement. He has served in numerous roles of leadership during his college years, yet he has maintained a 3.82 grade point average.

SPEECH AND DRAMA AWARDS BANQUET

The Speech and Drama department held its first annual awards banquet to honor outstanding students. The banquet, on May 27th, was at the Sheraton Motor Lodge. The awards were preceded with dinner and a skit, done by several clowning students, mocking the various professors of the department. After the laughs, Bill Jones, master of ceremonies began the program. Dr. Christie honored those participating in the intern program. Dr. Muessling presented public relations awards to Janis Harpe, Pam Goodwin, Andy Cannon, Lucy Williams, Peggy Mills, and Bill Jones. MOTHER'S FINEST DAZZLES VSC

The College Union Board was proud to present Mother's Finest in concert May 5, with two showtimes. Mother's Finest, an Atlanta based band whose music combines Funk and Rock, has a reputation for some of the most exciting concerts ever given. The concert lived up to its reputation as VSC saw one of the best concerts around. The Tuesday evening of

May 5 was one of the most exciting ever to hit Valdosta. Mother's Finest along with Teddy Baker definitely proved to rock and dazzle VSC.

TKE Frolics

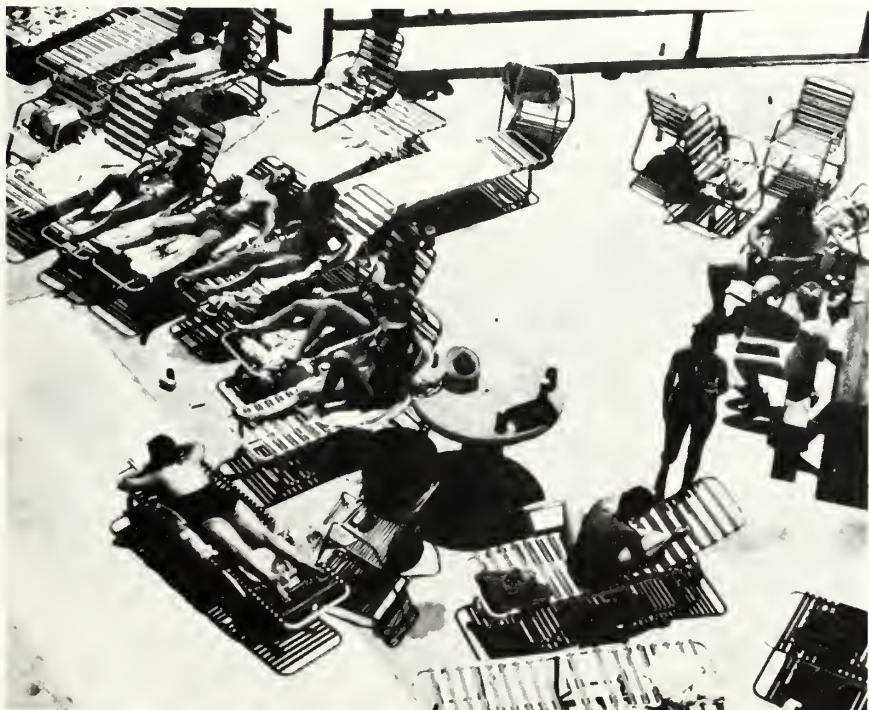

On May 26 the TEKES sponsored its annual TKE frolics. The events, which began at 2:00, included a jello eating contest, a change clothes in a sleeping bag relay, a Miss Legs contest, and many other fun-filled events. Kappa Delta sorority walked off with this year's crown followed by Zeta Tau Alpha and Phi Mu in second and third.

Beach Trip '81

FUN IN THE SUN

For an estimated 1,500 VSC students, Panama City, Florida's Miracle Mile Beach Resort proved to be the biggest party playground of the year for the first weekend in May.

The journey of about 180 miles, the trip to Panama City Beach has been an annual tradition for more than a decade.

VSC was represented on the beach by several sororities and fraternities along with many independent students. All were enthusiastic about going. The majority of VSC students stayed at motor lodges and hotels such as The Holloway House, The Rendezvous, Holiday Inn, Pier 99, and the Baron Hilton. "It's kinda like moving the campus down to the beach for a weekend." Entertainment was in good supply with several bands, beach towels, suntan oil, frisbees, and ice chest.

VALDOSTA STATE

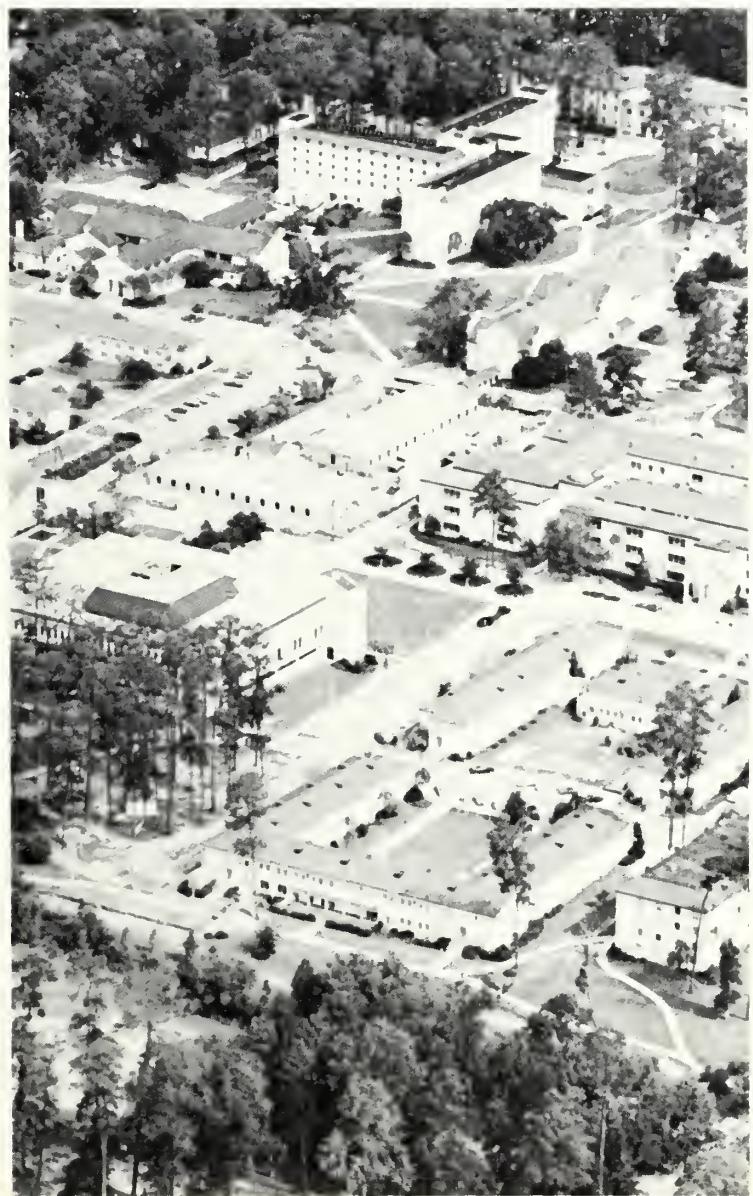

A special act of Georgia Legislature established an institution of higher learning in Valdosta, Georgia, in 1906. With a community enthusiasm that has continued, the city of Valdosta gave a campus of 60 acres and \$50,000. In 1913 the doors were open and Valdosta State College saw its beginning as South Georgia Normal College for young ladies. In 1950, the Board of Regents made the college coeducational and the name changed to Valdosta State College . . . our college.

VALDOSTA STATE COLLEGE
VALDOSTA, GEORGIA 31601

OFFICE OF THE PRESIDENT

April 6, 1981

It is a privilege to join in celebrating the inauguration of Milestones. For several years Valdosta State College has been without an annual and therefore it has been without a vital, pictoral history of significant developments on campus. Milestones corrects that deficiency. It depicts, in a manner that no other medium can do, the events during the year which have formed the on-going life of the college.

Valdosta State College is a diverse, dynamic community. The results are characterized by unity of spirit and action. The pages of Milestones record these paradoxical facets of campus life and will remain forever a record of personal and historical significance for those of us who have been privileged to be on campus in 1980-81.

Sincerely,

Hugh C. Bailey

Kappa Delta . . . She is the composite of every woman . . . She studies hard . . . she sets her own standards and follows them, but changes them from time to time . . . she lives every minute of her life and gets a tremendous kick out of it . . . she is loyal, cooperative and fun. This is a KD girl.

The KDs continued to be a very active group here at VSC. While the Kappa Deltas won TKE folics, came in second in the Homecoming competition and always make a good showing they still found time to raise money for Cancer, Musclar Distrophy and work the phone-a-thon to raise money for dear ole VSC. The KDs also deliver hot meals to shut-ins around Valdosta.

The annual White Rose formal and Spring dance continued to be great successess. The KDs always shine in athletics. They were the only greeks to reach the finals in basketball and saw the finals again in softball.

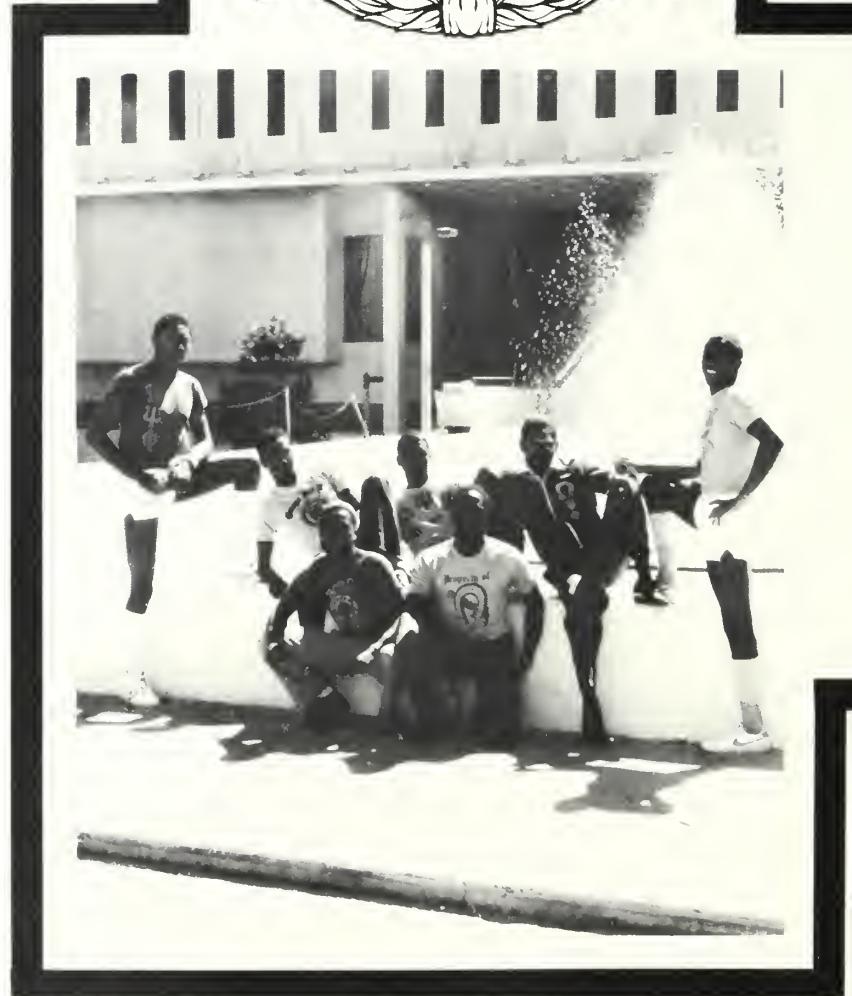

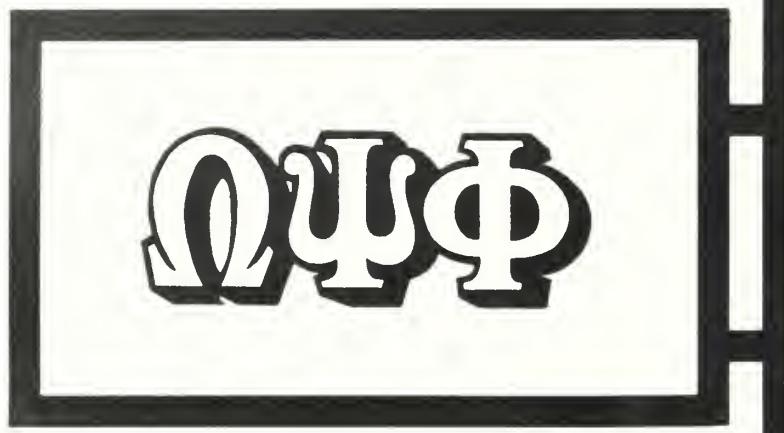

Phi Mu has been a part of Valdosta State College for 11 years. During this time they have welcomed new members of all personalities but they have one thing in common. . the desire to get something out of life through giving of themselves.

Students have witnessed cycles of change at Valdosta State College this year. The old mingled with the new as Converse Hall was rebuilt, as the new gym began to take form, and as the Pine Cone became Milestones. With the belief that endings are often beginnings, the yearbook staff is proud to present **Milestones 1981**, a beginning . . .

After the last publication of the VSC yearbook, the Pine Cone in 1977, many students felt the loss of this journalistic institution. With the diligent efforts of Perry McGuire, then SGA President, and other interested persons, the yearbook was reinstated Spring Quarter 1980 by a referendum, participated in by the students. The yearbook was later renamed **Milestones** by Joe Guzay, winner of the "Name That Yearbook" contest. The Milestones Staff wishes to recognize the following persons, groups, and businesses without whom the completion of this publication would have been difficult, if not impossible.

VSC Sports

The year in sports at VSC had much action for all fans. From the highly rated Blazer basketball and baseball teams to the fraternity football and softball teams, VSC provided action and fun for all.

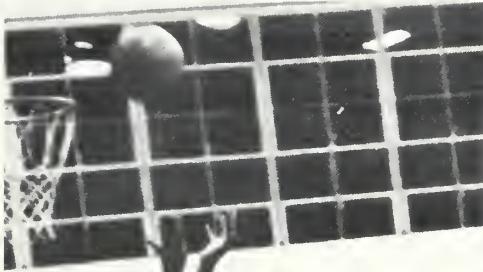

Of all the sports, the most attended were the games of the Blazer basketball and baseball teams and those of the Lady Blazer basketball team. The Blazer basketball team, led by such players as Ivey Hubbard, Lee Green, and, of course, "Downtown" Eddie Brown had a great season. They claimed the SAC championship with a season record of 18 and 8. The Blazer baseball team also claimed a SAC championship. Led by John Keigher (LF) and Mark Powell (3B) in batting (.320 avg.) and Leroy "Snake"

Dixon in pitching (ERA of 3.00), the Blazers had a season of 39 wins and 19 losses. Plagued by injuries, VSC's Lady Blazer basketball team had a season of 10 and 17. Such young stars as Pam Stone, who led the Ladies in both scoring and rebounds, kept the spirit of the game and made all of the Lady Blazer games worth seeing.

Attending a primarily academic college, VSC students are often not aware of many other teams at the college. These teams did play, however, and provided excitement to all who watched. Some of these teams include: Men's and Women's tennis, women's volleyball and softball, VSC soccer and cross country, golf, and many other sports. Students should make a definite effort to attend at least some of the games that the above teams play. It is certain that there will always be excitement for all who attend.

Besides the school teams, VSC students pride themselves on their fine intramural program. In this program, fraternity, sorority, and independent teams play against each other in the attempt to gain a trophy for their sponsoring organization. This year, the Sportsters captured both the women's softball and volleyball championships. The women's basketball crown was claimed by the Players. The Oyster Bay team claimed both men's basketball and softball championships. The football crown went to the team from Wesley.

VSC sports were certainly very exciting this year. From the opening of the lighted Blazer Baseball Field to the awaiting of the opening of our new sports complex, VSC provides a great variety of sports for its students.
